

jobhunter Q&As

registration instructions

Q: What happens when I have registered/forwarded a CV to Glen Callum Associates?

A: Once your CV/registration information has been received then your details will be matched against our current opportunities.

Should you match with a current opportunity then you will be notified by the relevant consultant within a 7-10 day time period and the consultant will talk to you in detail about the vacant position and the next stage of the process.

Q: What happens if I do not match with any of your current opportunities?

A: Should your details not match with a current opportunity then your CV information will be entered onto our database and retained for matching with future opportunities. A consultant will contact you as soon as a position is available that matches your skills, abilities and requirements.
